**Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 2019
RE: FCC Form 471 #191041489**

I. INTRODUCTION AND SUMMARY

The Bradley Union School District (“Bradley School District”) serves low income pre-kindergarten through Grade 8 children in rural southern Monterey County California. Since E-rate’s inception, Bradley Union District has been a very small but successful participant of the program.

The Bradley School District submitted and certified their Funding Year 2019 FCC Form 471, #191041489, in the “Apply Online” portal of the Schools and Libraries Division (“SLD”) of the Universal Service Administrative Company’s (“USAC”) website, on March 27th at 9:04 p.m., Pacific Time, just 4 minutes after the FCC Form 471 filing deadline of March 27, 2019 at 12:00 p.m. Eastern Time.

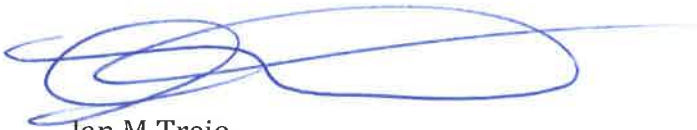

As the Superintendent/Principal, Business Person, and Special Education Teacher, E-rate is one of my many duties I perform each day.

I had become aware of the 12:00 a.m. ET requirement two years ago, so I have been determined to not miss the deadline. However, several issues with my login information prevented me from accessing my USAC portal account. I then had to leave town for 5 days to accompany my 8th grade students to Disneyland. When I returned, I was able to access my account, and began the process. However, several system crashes made it impossible to complete. When I arrived home that night, I had 2 hours before the deadline to complete the report, but I must have been one of many trying, because every operation took minutes to complete. I pressed submit at 8:55 p.m. PT, and the screen did not move to confirmed until 9:04 p.m., at which time it gave me the dreaded message, that it would not be funded because it was after the deadline.

II. Request

The Bradley Union District respectfully petitions the Commission to request a waiver of the Funding Year 2019 FCC Form 471 filing deadline on behalf of the Bradley Union District to allow the Out of Window submission of their E-Rate Funding Year 2019 FCC Form 471 #191041489, due to unintentional lateness of the application.

Respectfully submitted,

Ian M Trejo
